## "THANK YOU"

We begin this Fall newsletter with a big "THANK YOU" for your prayers and financial support through out the summer months. This year has been a battle for us all but, "Greater is He that is in us than he that is in the world!"

We have cut corners in several areas, but have determined this Gospel MUST go out at ANY cost or sacrifice.

During this era we are living in, false religions are thriving all over the world. Jesus said, "when you see these things come to pass, look up for your redemption draws near." We believe this is NOT the time to take our foot off the gas pedal, but a time to STOMP it to the floor and usher in the return of our Lord!

We know that many of you are struggling in this economy and we want you to know we "appreciate" your sacrificial giving towards our ministry to reach out to millions of children around the world. Children who are lost, used and abused are finding Jesus as their Savior and finding hope and direction for their lives through the television broadcasts and DVD distributions. Thank you for your faithfulness to get His Word out. Here are a few praise reports of His Faithfulness.

## TEAMS IN THE HARVEST

In the past few months we have had mission teams going into Ecuador, the Caribbean Islands, Honduras, Haiti, Belgium and France. All together the teams have traveled to these countries and distributed hundreds of programs in English, Spanish and French to reach out to the nationals.

Our programs will be used in local churches, for evangelism, television broadcast and Bible Schools. God says, "My Word will not come back void, but WILL accomplish the work I send it to do." What a blessing it is to

share the truths of God and teach the new converts through television and DVD. There is a mighty work to be done in these last days and we want to be a part of it.

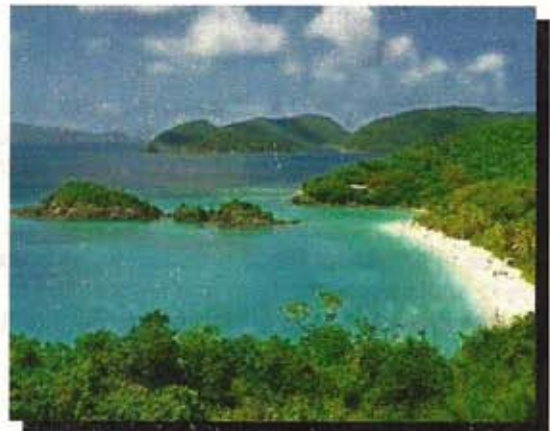

Thank you to each and every one of you, who gave, traveled and shared our programs and your personal love to the peoples of these countries! Together we CAN make a difference to reach out with the love of Christ!

## A FREE GIFT

If your church has a missions team going out, please let us know and we will send you programs to use and to share with the nationals in the country where you are going. The programs will be given freely to your church team so they can freely bless the people you are ministering too. The programs can also be given to local TV stations for broadcast.

Several of the sets have Teachers Manuals provided with them on CD. Lugar Secreto (Spanish) has a Coloring Book for children on CD. PLEASE let us know if we can bless you with our programs we want to help if we can.

## **INFLUENCE LIVING TV**

Bruce and Wade Mumm are doing a phenomenal job with the production of, "Influence Living." They are now airing the program 45 times a week around the world. God has blessed the program with anointed testimonies of people whose lives have been "Influenced," by God!

We are currently editing and duplicating the programs for them, and have completed 30 - 30 minute programs so far this year. These programs bring hundreds of intriguing testimonies from different countries right into people's homes. Here are a few responses from viewers;

***"I absolutely loved the testimonials that were given and also prayed for the Lord to forgive me and to come into my life. Alicia--Sydney, Australia***

***"I do enjoy the program Influence Living, which I watch at the early morning 5:30 am here"***  
***Carolyn -- Republic of Ireland***

***"I love listening to peoples testimonies how God moved in their lives during times when things were really bad."***  
***Ramon--NSW Australia***

***"Thanks for the interview of the businessman and the fisherman. It really makes me want to have that peace. I'm hoping to read the book "Joy of Tribulation", I need to find joy in my life after lots of issues and difficulties in my life and family this year."***  
***Bruno -- Hong Kong***

***"Hi my name is Mary. and I just watched your show and I was influenced a lot, and today I want to follow God. I would like to receive that book that you were talking about on the show."*** ***Victoria, Australia***

Please join us in prayer for these broadcasts, as there are thousands of souls watching them and responding to God's Spirit. These are great days of Harvest as we thrust in the sickle and believe God for the results.

## **HOMECOMING!**

We shared with you in our Spring newsletter that after 5 years of teaching and missions work in Southern India, our daughter and family have returned to the states for a while.

We asked you to pray and we believe you did. They needed to find a job, a house, a car and a school for the children. With the unemployment the way it is and their limited finances we were not sure how it would all go.

But, Praise the Lord, in August, all within one week, Brian got a teaching position, they found a house for an amazing price, they found a car at an amazing price and the children will be going to school where Brian teaches. It is one of the top ten schools in the state! God really answered prayer for them in light of the present economic challenges! Yes, we believe in miracles! Thank you for your prayers! They are working.

## **LATIN AMERICA**

**Partner Larry Gault with his Portable DVD Bible School Writes:**

Pastor Edwards proudly showed us his little church meeting area for the school, which is in front of his living quarters. He had several classrooms with student desks and a TV and DVD player in each room. He stated that VIM Bible training DVDs comprised nearly 60% of his curriculum for his school. He was most enthusiastic about our materials and was excited to share with us over breakfast that he had plans for opening schools in Peru and Bolivia. Like us, he provides the training at no charge. His church members contribute to pay for all expenses.

We appreciate your partnership and prayers for Kingdom Kids Media Outreach. Keep rejoicing, He is coming soon! Please join us in prayer for a Worldwide Revival among all nations!
