Update

KEEPING THE PARENTS OF REVOLUTION INFORMED SINCE 2005

"remember this: Whoever turns a sinner from the error of his way will save him from death and cover over a multitude of sins."

James 5:20

Live it out!

"Actions speak louder than words." That's a line from one of my favorite bands, Reliant K. In college I had the opportunity to see them perform live several times. Their music always seemed to speak to right where I was. However, that line did not become so evident in my life until I had kids. When you're interacting with children all of a sudden what you say takes a huge backseat to what you do. I may tell them to not jump on the bed but if that's what I'm doing they will be very quick to join me. I may tell them to be nice to their friends but if they see me doing the opposite they will eventually abandon what I taught them.

This same principal can be applied to our faith. What comes out of our mouth needs to match up with our actions. If we talk to the people around us about Jesus' love and compassion then we need to be a personal example of what that looks like. 1 Timothy 4:12b says "...but set an example for the believers in speech, in life, in love, in faith, and in purity."

What are you telling people around you through your actions today? Are your actions lining up with your words?

Blessings,
Pastor Keven
