KEEPING THE PARENTS OF REVOLUTION INFORMED SINCE 2005

"When Jesus landed and saw a large crowd, he had compassion on them, because they were like sheep without a shepherd. So he began teaching them many things."

Mark 6:34

A fast food nation...

Now that we have entered the month of February many of us are starting to breathe a sigh of relief. After all of the hustle and bustle that we go through during the holiday season, we can now get back to our old routine and not have to worry about what time the mall closes or what time toys-r-us will open in the morning.

But now that we don't have the holidays to be concerned with what will we do? Where will we go? How can we keep ourselves busy? That is the mentality of our society. We always have to be doing something or going somewhere. We truly do live in a fast food nation. We always want things to be bigger, better, and faster!

In Mark 6:31-38 Jesus takes His disciple off to a remote quiet place to rest. But, when they arrive, there are several people waiting for them and waiting to see Jesus. Instead of leaving to find another place or telling everyone else to leave, Jesus begins to teach the crowd of people. At the end of the day Jesus performs a miracle and feeds five

thousand people off of five loaves of bread and two fish!

There is a lot to be learned from this passage. What I want us to remember is even when you are unable to spend quiet time with God or if you don't have time to find that place of solitude, you can still make room for God where ever you are.

I would like to challenge you. Even amidst all of the hustle and bustle of everything you have going on this week. Try to take advantage of glorifying God where ever you are. If that means sharing Gods love with another person or keeping a Bible in hand like you would any other book than that's what you should do. But, whatever you do and wherever you are always bring glory to God.

I pray that God would continue to reveal Himself to each and every student here in Revolution.

To God be the Glory,
Pastor Keven

STL Giving Update! This Changes Everything! 2 Cor. 5:17

Thanks to our Students at Revolution Student Ministries and other Organizations like VistaPrint, Revolution Student Ministries has given 383.00 to STL already in 2010! We will be asking each student to make an individual commitment to raise a specific amount of money for Speed the Light this year. For the last 2 years, Revolution Student Ministries have been among the top 10 churches in the district giving to STL. Lets continue to make this a priority so that we can be a blessing to those missionaries in need and an example for other Student Ministries to follow.
