

## Volunteer Shout-Out!

Each month I would like to share a story of how one of our volunteers has made an impact in a kids' life or a family's life or done something extraordinary. This month I would like to highlight Julie Dall. In December we had our Happy Birthday Jesus parties in all of our Sunday morning classes. During these parties we had several snafus that came up, but Julie helped to resolve each one and make these parties a success! She is also the one who stocks all of our Sunday bins as well as a shelf in each of the classrooms (please check out these new shelves)! Thank you Julie for all you do for Kingdom Kidz!

## We have a VBS Theme!

This year's VBS Theme will be....drum roll please...Hero Head Quarters, a superhero theme! This year the dates and times are a little different then in the past. It will be Sunday June 27th-Thursday July 1st all week from 6:30-8:30pm. Please save the dates! More information will be coming soon or you can visit [www.vacationbibleschool.com](http://www.vacationbibleschool.com) to see the VBS first hand.

## What's your Purpose?

At New Year's every year I come up with a new year's resolution. I've chosen the normal ones and I've also had stranger ones like trying something new every month (I lasted till March that year). This year I decided instead of making a New Year's resolution I wanted to have a new outlook on my life and reason for being here. With that in mind, I've challenged myself this year to be more purposeful in the things I do, the time I spend, the words I say, etc. This has reminded me to be more alert to the ways I'm spending my time, to take advantage of the opportunities God has given me, and to try not to waste any moment. As a part of that idea, I have enjoyed joining our Church in reading the NT Bible plan. If you haven't started yet and would like to, start with today's passage which is Acts 9.

If there's anything I can do for you please let me know.

Praying with you,  
Pastor Danielle
