Girls Ministries & Royal Rangers

On June 22nd we will be celebrating all of our kids' accomplishments. Our girls ministries and royal rangers have earned a lot of amazing badges but they have also been greatly impacted by Jesus this year. Please come out on June 22nd at 7pm to celebrate all that God has done in them this year.

A huge thank you to all of our leaders, Miss Val, Miss Micha, Miss Ruthie, Miss Sheryl, Miss Scherrhawn, Commander Bobby, Commander Dennis, and Commander Keith, who have not only taught them but truly impacted these kids' lives for God. Below are some pictures of their year.

VBS is this month!!!!

Hear Ye Hear Ye, we are requesting the presence of all knights and princesses in the Kingdom of Boston to come to the Court of Mount Hope anon!

June 26th-30th from 6:30 p.m.-8:30 p.m. will be our Vacation Bible School for ages 2 years old through 12th grade.

This is the largest Kingdom Kidz event of the year and we still need your help! How you may ask?

- You can pre-register your children by visiting www.mounthope.org.
- You can pass the word by visiting our face book event page; you can find it by going to our website and clicking on our face book fan page.
- We need cookies donated (no nuts or peanut butter please) to my office for snack time.
- We are still in need of volunteers to be Knight Circle Leaders, the ones who hang out with the kids, sit with them, walk them to their classes, etc., if you are interested please let me know.
- You can pray, for the kids that will be coming that God would do an amazing work in them throughout the week, and for the volunteers, that God would use them in amazing ways!

Each of you are valued and appreciated.

Praying with and for each of you,

Pastor Danielle

Security

We are doing our part to help our parents, kids, and volunteers be as safe as possible in our building. To help with this we are asking only volunteers who are serving that morning and parents who are picking up or dropping off their children to be the only ones down our hallways. Thank you for your help and assistance in this area.

To Text or Not To Text?:

Just a friendly reminder to not text when you are in the classroom. Texting and being on our phones can be convenient and tempting on a Sunday morning but the kids need our undivided attention and so do the parents who are dropping off their kids.
