

Master vs. MASTERPIECE

Our Speaker

Wendy Blight

Shortly after graduating from college, Wendy was attacked by a masked man hiding in her apartment. She spent the next decade in a prison of fear, despair, and hopelessness. Wendy's story is a testimony of God's strength in weakness, hope in hopelessness, and His healing in brokenness.

Along with authoring a book and several Bible studies, Wendy has been featured on Oprah Radio, the 700 Club and more, she serves on the staff of Proverbs 31 Ministries and currently lives in North Carolina with her husband and two children.
